

Guidelines 9/2022 on personal data breach notification under GDPR

Feedback to public consultation

Based on point 114 of the Guidelines, we propose to include the following example in Annex B:

Example	Notify the supervisory authority	Notify the data subject	Notes
Temporary disclosure of a dataset to a trusted supplier by mistake, or temporary disclosure of a dataset to a trusted supplier after termination of the supplier contractual by mistake, if the data supplier can be trusted (e.g., based on existing or previous relationship and experience and/or evidence and/or assurances provided by the supplier) to delete or return all the disclosed data without delay as soon as the parties become aware of such circumstances, and the disclosure has no direct impact on data subjects.	No.	No.
